

# BUILDING A BETTER BANKING EXPERIENCE

The new Mobile Banking App makes it easier for clients who have registered for online banking to access their credit lines anytime, anywhere. Now, your clients have more ways to use and manage their credit lines, including:

- Making loan payments
- Tracking credit line use
- Reviewing account balances
- Transferring funds between accounts with us and like-titled bank accounts at other financial institutions

## QUICK & EASY ACCESS

Clients can download the Mobile Banking App from the App Store or Google Play for use with:

- iPhone / iPad
- Android Phone / Android Tablet
